

GOODSERVICE MOB

Ask about our free community information days!

Our information sessions are designed to educate community members and workers about what consumers can do if they are having problems with:

- banks, credit cards and loans
- businesses, contractors and consumer rights
- discrimination
- doctors, nurses, hospitals or other health services
- electricity, gas and water companies
- federal government agencies (Centrelink and the Taxation Office)

Interested in hosting a free consumer information day?

In order to make the day a success and attract as many participants as possible, as a co-host you need to:

- nominate at least two people to liaise with the Good Service Mob
- promote the forum within your local and surrounding communities
- assist with organising the venue, catering and Elder for Welcome to Country
- identify potential organisation/s to assist with transport of community members (if required)

Enquiries

For more information and advice about venue hire and catering, contact:

Felicity Huntington, Anti-Discrimination Board NSW on (02) 9268 5540

Tracey Duncan, EWON on (02) 8218 5221
