ABORIGINAL AND TORRES STRAIT ISLANDER COMMUNITY WORKERS FORUM

Aboriginal Community Workers Forum is a virtual event hosted by a collaboration of Indigenous and non-Indigenous staff from complaint-handling agencies who help consumers in New South Wales.

Our aim is to ensure all Aboriginal and Torres Strait Islander communities are aware of their rights as consumers, and the free services available to help them.

The virtual forum will see multiple agencies and organisation provide an overview of their services and provide the community an opportunity to ask questions and seek further advice for issues they are facing.
